

387 802 6000_02_01

I	Voltage transformer, position 3
II	80-V heating system

Legend

9E70	80-V heating system, 44-54
9F70	40-A fuse for 80-V heating system heating element, 53
9F71	20-A fuse for heating system blower, 50
9F90	30-A fuse for 80-V voltage transformer, position 3, 7
9F91	1-A fuse for 70-A relay coil for relay (voltage transformer, position 3), 23
9K91	70-A relay (U+ switched/voltage transformer, position 3), 23-26
9U94	150-W 80-V/12.5-V voltage transformer, 10-15
9U95	400-W 80-V/12.5-V voltage transformer, 10-15
X30	Central positive point, 2
X31	Central negative point, 2
9X17	15-pin connection assembly, transfer from basic equipment to special equipment, 23
9X70	2-pin connection assembly, heating system heating element, 53
9X77	2-pin connection assembly, heating system blower, 48-50

Wire colours

BK	Black
BN	Brown
BU	Blue
GN	Green
GY	Grey
OG	Orange
RD	Red
VT	Violet
WH	White
YE	Yellow

The number in front of the wire colour refers to the wire cross-section

Wires with unspecified cross-section = 0.5 mm²

Notes

- (A) Voltage transformer, position 3
- (a) 13-V voltage transformer, basic equipment
